The Aesculap Academy is one of the leading medical forums for everyone who is professionally, passionately and ambitiously committed to people's health. To those medical professionals we offer top quality knowledge transfer based on globally recognized quality criteria using innovative methods and technologies.

DIALOG – DEDICATED TO LIFE.

The Aesculap Academy has its roots in the company B. Braun, which has been protecting and improving people's health for more than 175 years. With our courses, hands-on trainings and symposia we help to honor our parent company's promise of SHARING EXPERTISE.

The courses at the Aesculap Academy offer participants who want to continue to learn in an inspiring environment knowledge transfer and teaching that are adapted to real life: lifelong learning, true-to-life training situations and realistic content for a better life for patients and medical staff.

Switzerland

Dear Colleagues

It is with an unrestricted pleasure that we invite you to this third regional anaesthesia day of Romandie that will be held on Saturday, 7th October, 2017 in Lausanne.

INTRODUCTION

This year, we have invited major European experts in regional anaesthesia that will give lectures in the morning on very hot topics and address concerns that you might have when you provide regional anaesthesia. In addition, we have modified the formula regarding the workshops; the participants now have the opportunity to attend 8 different stations to better understand the anatomy and practice an incredible number of blocks on models, brand new regional techniques included. The workshops will start at noon and groups of maximum 6 participants will rotate every 30 minutes. All these stations will be instructed by national and international experts that will feed you with many tricks and tips to help you achieve a high success rate. We are convinced that this meeting will provide exciting and comprehensive up-to-date learning opportunities for consultants, trainees, and nurses.

We greatly appreciate the organisation of the symposium by Aesculap Academy and the support of medical companies involved for their financial contribution and for providing ultrasound machines.

We extend a very warm welcome to you and we look forward to seeing you in Lausanne.

PD Dr Eric Albrecht

DATE | VENUE | PROGRAMME

DATE AND VENUE

Saturday, 7th October 2017

Platform of Morphology – University of Lausanne
Lausanne University Hospital (CHUV)
Rue du Bugnon 9
1005 Lausanne

07:30 Registration and welcome coffee

08:00 Welcome
Prof. Christian Kern, PD Dr Eric Albrecht

EVIDENCE-BASED MEDICINE BEHIND NEW REGIONAL BLOCKS (LECTURES)

08:15 Thoracic wall blocks
Dr Moira Baeriswyl

08:45 Abdominal wall blocks
Dr Alan Macfarlane

09:15 Fascia iliaca compartment block
Dr Matthias Desmet

09:45 Break

REGIONAL ANAESTHESIA IN THE DAILY PRACTICE (LECTURES)

10:15 My patient will have a vascular surgical procedure. Should I provide regional anaesthesia?
Dr Alan Macfarlane

10:45 So many adjuncts to combine with local anaesthetics: Which one shall I use?
Dr Matthias Desmet

11:15 My patient has a nerve injury after orthopaedic surgery with peripheral nerve block. How should I proceed?
PD Dr Eric Albrecht

PROGRAMME

START WORKSHOPS

12:00 Workshops 1 & 2 – Rotation in 8 groups,
30 minutes per workshop

13:00 Lunch break

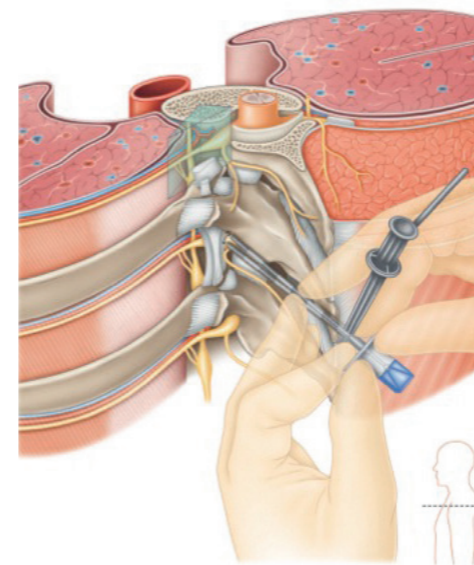

13:45 Workshops 3, 4 & 5 – Rotation in 8 groups,
30 minutes per workshop

15:15 Break

15:45 Workshops 6, 7 & 8 – Rotation in 8 groups,
30 minutes per workshop

17:15 Assessment and certification

17:30 End of the course

Sponsored by:

GE Healthcare

WORKSHOPS

WORKSHOP 1

Anatomy: brachial plexus and lumbosacral plexus
Dr Hugues Cadas

WORKSHOP 2

Paravertebral block and neuraxis
Dr Sina Grape

WORKSHOP 3

Blocks above the clavicle
(interscalene and supraclavicular brachial plexus blocks)
Dr Matthias Desmet

WORKSHOP 4

Blocks below the clavicle
(infraclavicular and axillary brachial plexus blocks)
Dr Alan Macfarlane

WORKSHOP 5

Blocks on the thigh
(fascia iliaca, femoral nerve, adductor canal and obturator nerve blocks)
Dr Christian Balmer

WORKSHOP 6

Sciatic nerve block with different approaches
(popliteal, anterior, gluteal, subgluteal)
Dr Pablo Mondragon

WORKSHOP 7

Truncal wall blocks
(TAP block, Quadratus lumborum block, PEC block)
Dr Moira Baeriswyl

WORKSHOP 8

Ankle block
Dr Sylvain Gander

REGISTRATION

My decision to join the course is binding

Registration deadline: 27th September 2017
